

### Mississippi Junior College Champion 1939

The war clouds formed on the 1939 football world and the Decatur Warriors poured a steady rain of defeats upon their ten opponents to chalk up 243 points against their opponents' 25. The Warriors tucked away in their treasure chest the 1939 Mississippi Junior College Football Championship.

The Decatur lads led by Coach "Polic" Sullivan have been undefeated for two successive seasons, with only two scoreless ties, from last season to mark their nearly perfect record for the two years. They never know what it is to stop. They just keep on fighting.

Under the watchful eye of Coach Sullivan they train, work, scrap, and bring home the bacon.
